April 1, 2010

To: All Parents/Guardians of Prospective Champlin Park Football Players

From: Coach Mike Korton and the Champlin Park Football Staff

Dear Parents/Guardians:

The Champlin Park Football program is very excited that your son has indicated an interest in becoming involved with our program. The way that we try not to cut any athletes and find a spot for all of them to play is different then many activities today. We are looking forward to the upcoming season and expect to have great success at all levels, in many different ways. Having your son as a part of the football program is a big commitment, not only for the student athlete, but also for the entire family. The rewards that come with being a part of this program we hope are great.

The **CP Touchdown Club** and I are working to find ways to make your football experience as easy as possible. We have a website that we believe can help answer most of your questions about Rebel Football. (The web address is: [champlinparkfootball.org](http://champlinparkfootball.org)) Please visit this site and give us feedback on other things we can add to the site.

We would also like to invite all Parents/Fans/Alumni to get involved with the program. The touchdown club meets at 7:00pm, every 3<sup>rd</sup> Monday of the month, in the south lecture hall at Champlin Park High School. We hope to see you there.

We are having our 6<sup>th</sup> annual Alumni & Friends golf tournament at Sundance golf course this summer, on Friday July 30<sup>th</sup>. There is a registration form on the website. Let your friends and family know about this event. This event was a great success last year, and a very good time had by all. The next day (Sat. July 31<sup>st</sup>) is our 2<sup>nd</sup> Alumni Football Game @ 7:00 pm on the varsity football field, come and support the rebels.

Something new this year, is the impact testing that we are making available to our players. The boys and girls hockey programs did this last year and we believe this is a great opportunity to offer our players that are in a contact sport. More details to come on the website.

Additional things you will find on the website include: Camp & Weight training sign-ups as well as Golf & Linder's information. Support your favorite football player. Put a personal ad in the program.

Our football program does two main fundraisers; one is our letter writing campaign and the other is selling gold cards. All players will be issued these fundraisers on equipment handout day (August 12<sup>th</sup>.)

Thanks!! We look forward to hearing from you soon, as well as working with your son this year.

Mike Korton
